

Welcome to Haderslev Sejlforening.

Below you will find a specification of the area of HSF.

Our places to make fast are within the red dotted line.

All places which shows a green sign, can be used by guestsailors.

Larger boats are, after arrangement with the harbour master, allowed to make fast in the east end by the fuel tank.

1. Harbour office.

Here you will find envelopes which you can use for paying harbourdues.

You will too find a voucher, used for acces to the internet. It is full free.

Various brochures and a map of Haderslev can be found here. They are also free.

On the notice board you will find the main telephonenumber.

You may use the round table and the terrace on the roof. It is free.

Two times during the day the harbour master will be around. Between 8-10 am and between 4-6 pm.

The harbour master will try to answer every question you may have.

2.Toilets/bath and the little kitchen.

If you want to take a shower, insert a 5 kroner coin, each person, into the slot in the wall, and the shower is paid.

The little kitchen is free to use.

Fresh drinking water may be tapped here.

3. Dieseloil.

If you want fuel in form of dieseloil, contact the harbour master.

If he cannot be found, contact one of the local persons. They will always be able to serve you.

4. 10 tons crane.

The crane is operated by different people. Talk to one of the local persons if you want lift.

A lift out and into the water on the same day costs 700 Kroner.

Else the cost is 500 Kroner each lift.

5. The Club House.

The Club House will normally be locked during the summer season.

6. and 7. The Club's grill places

You may use them as much as you want.

They are free.

Welcome.

We hope you will enjoy your stay in Haderslev.

We will be seeing you.
